आई आई टी हैदराबाद
IIT Hyderabad

**Chips to Startup
Programme**
An initiative by Ministry of Electronic
and IT, Government of India

SYNOPSYS[®]
Silicon to Software[™]

VLSI System Design

Cloud based Analog IC Design Hackathon

This is to certify that

Naveenkumar K H

from
VIT, Vellore

has designed the circuit

*A Power-On Reset Circuit with inbuilt Brown-Out Detection Capability using 28nm
CMOS Technology*

using Synopsys Custom Compiler Platform

She/He has performed an ~~Outstanding/Excellent/Good~~ **Very Good** work.

This program was conducted between 15 February - 1 March 2022 as an initiative of IIT Hyderabad, which has been sponsored by Synopsys in association with VLSI System Design (VSD) Pvt.

Dr Ashudeb Dutta
Program Co-Ordinator, IIT Hyderabad

Dr B Umashankar
Chair CCE, IIT Hyderabad
